NOTICE

Notice is hereby given that the Twenty Sixth Annual General Meeting of the shareholders of Tokyo Plast International Limited (CIN - L25209DD1992PLC009784) will be held at Hotel Sovereign, Sea Face Road, Daman – 396 210 (U.T.) on Friday, 27th September, 2019 at 03:30 P.M to transact the following business:

Ordinary Business:

1. To receive, consider and adopt :
 - (i) the Audited Standalone Financial Statement for the year ended 31st March, 2019 and the Report of the Board of Directors and Auditors thereon.
 - (ii) the Audited Consolidated Financial Statement for the year ended 31st March, 2019 and the Report of the Auditors thereon.
2. To appoint a Director in place of Mr. Haresh Velji Shah Director, who retires by rotation and being eligible, offers himself for re-appointment.

SPECIAL BUSINESS:

3. To approve re-appointment of Mr. Tassadduq Ali Khan (DIN: 00008368) as an Independent Director of the Company.

To consider and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

“**RESOLVED THAT** pursuant to the provisions of Sections 149, 150, 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Appointment and Qualification of Directors) Rules, 2014 and the applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), Mr. Tassadduq Ali Khan (DIN: 00008368), who was appointed as an Independent Director to hold office as an Independent Director upto the conclusion of this Annual General Meeting and being eligible, be and is hereby re-appointed as an Independent Director of the Company, not liable to retire by rotation to hold office for five consecutive years upto the conclusion of Thirty First Annual General Meeting of the Company to be held in the calendar year 2024.

RESOLVED FURTHER THAT pursuant to the provisions of Sections 149, 197 and any other applicable provisions of the Companies Act, 2013 and the Rules made there under (including any statutory modification(s) or re-enactment thereof for the time being in force), Shri. Tassadduq Ali Khan be paid such fees as the Board may approve from time to time and subject to such limits, prescribed or as may be prescribed from time to time, for attending the meetings of the Board and its Committees.”

RESOLVED FURTHER THAT the Board of Directors be and is hereby authorised to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution. ”

4. To approve the re-appointment of Mr. Chimanlal Andrijibhai Kutchhi (DIN: 00058092) as an Independent Director of the Company

To consider and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

“RESOLVED THAT pursuant to the provisions of Sections 149, 150, 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Appointment and Qualification of Directors) Rules, 2014 and the applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), Mr. Chimanlal Andrijibhai Kutchhi (DIN: 00058092), who was appointed as an Independent Director and who holds office as an Independent Director upto the conclusion of this Annual General Meeting and being eligible, be and is hereby re-appointed as an Independent Director of the Company, not liable to retire by rotation to hold office for five consecutive years upto the conclusion of Thirty First Annual General Meeting of the Company to be held in the calendar year 2024.

RESOLVED FURTHER THAT pursuant to the provisions of Sections 149, 197 and any other applicable provisions of the Companies Act, 2013 and the Rules made there under (including any statutory modification(s) or re-enactment thereof for the time being in force), Mr.Chimanlal A. Kachhi be paid such fees as the Board may approve from time to time and subject to such limits, prescribed or as may be prescribed from time to time, for attending the meetings of the Board and its Committees.”

RESOLVED FURTHER THAT the Board of Directors be and is hereby authorised to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution. ”

5. To shift the registered office of the Company from the Union Territory of Daman to the State of Maharashtra.

“RESOLVED THAT subject to the provisions of Section 12, 13 and Section 110 and other applicable provisions of Companies Act, 2013, read with relevant rules applicable, if any, (including any statutory modification(s) or re-enactment thereof, for the time being in force), and subject to the approval of Regional Director and such other approvals, permissions and sanction, as may be required from time to time, consent of the members be and is hereby accorded for shifting the registered office of the Company from the Union Territory of Daman to the State of Maharashtra and that the Clause II of the Memorandum of Association of the Company be substituted and replaced as the follows:

II. The Registered office of the company will be situated in the State of Maharashtra.

RESOLVED FURTHER THAT upon the aforesaid resolution becoming effective, the registered office of the Company be shifted from Plot No. 363/1(1,2,3), Shree Ganesh Industrial Estate, Kachigaum Road, Daman-396210 (For U.T of Daman) to Vyom Arcade, 5th Floor, above United Bank Of India, Tejpal Scheme Road No. 5, Vile Parle (East), Mumbai (For the State Maharashtra)

“RESOLVED FURTHER THAT for the purpose of giving effect to the above resolution, the Board of Directors of the Company (hereinafter called the “Board”, which term shall be deemed to include any person (s) authorized and / or Committee which the Board may have constituted or hereinafter constitute to exercise its powers including the powers conferred by this Resolution) or any officer so authorised by the Board, be and is hereby authorized to agree to and make and accept such conditions, modifications and alterations stipulated by any one of the authorities, statutory or otherwise, while according approval, consent as may be considered necessary and to appoint counsels and advisors, file applications/ petitions, issue notice, advertisements, obtain orders of shifting of registered office from the concerned authorities and take such steps and to do such acts, deeds and things as they may deem necessary and proper in this matter.”

7. **Voting through electronic means:**

In compliance with Section 108 of the Companies Act, 2013 read with Rule 20 of The Companies (Management and Administration) Rules, 2014 as substituted by The Companies (Management and Administration) Amendment Rules, 2015 & Regulation 44 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, the Company is offering remote e-voting facility to the members to enable them to cast their votes electronically from a place other than the venue of the AGM ('remote e-voting') provided by Central Depository Services Limited ('CDSL').

Facility of voting through Ballot Paper shall be made available at the AGM. Members attending the AGM, who have not cast their vote by remote e-voting shall be able to exercise their right at the AGM.

Members who have cast their vote by remote e-voting prior to the meeting may also attend the meeting but shall not be entitled to cast their vote again.

The procedure/ instructions for e-voting are as under:

- (i) The voting period begins on Tuesday, 24th September, 2019 at 9.00 a.m. (IST) and ends on Thursday, 26th September, 2019 at 5.00 p.m. (IST). The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) The shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 20th September, 2019 may cast their vote through e-voting or voting at the AGM.
- (iii) The shareholders should log on to the e-voting website www.evotingindia.com.
- (iv) Click on Shareholders.
- (v) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (vi) Next enter the Image Verification as displayed and Click on Login.
- (vii) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- (viii) If you are a first time user follow the steps given below:

For Members holding shares in Demat Form and Physical Form	
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number in the PAN field. In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field.
Dividend Bank Details OR DOB	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

- (ix) After entering these details appropriately, click on “SUBMIT” tab.
- (x) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (xi) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xii) Click on the EVSN for Tokyo Plast International Limited on which you choose to vote.
- (xiii) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xiv) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xv) After selecting the resolution you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xvi) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xvii) You can also take out print of the voting done by you by clicking on “Click here to print” option on the Voting page.
- (xviii) If Demat Account holder has forgotten the same password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xix) Shareholders can also cast their vote using CDSL’s mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store, Apple and Windows phone. Please follow the instructions as prompted by the mobile app while voting on your mobile.**
- (i) Note for Non – Individual Shareholders and Custodians :
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporate.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details they have to create compliance user should be created using the admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote on.
 - The list of accounts should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.

- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- (i) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com.
- (ii) General:
 - a. The voting rights of shareholders shall be in proportion to their shares of the paid-up Equity Share Capital of the Company as of the cut-off date.
 - b. A person who acquires shares of the Company and becomes member of the Company after dispatch of the Notice and holding shares as of the cut-off date i.e. 20th September, 2019 may obtain the Login ID and Password by sending a request at support@sharexindia.com
 - c. A person who is not a Member as on the cut-off date should treat this Notice for information purposes only.
 - d. Mr. Virendra Bhatt, Practicing Company Secretary (ACS No. 1157, CP No. 124) has been appointed as Scrutinizer to scrutinize the remote e-voting process and voting at the venue of AGM in a fair and transparent manner.
 - e. The Scrutinizer, after scrutinizing the votes cast through e-voting and Ballot Paper, not later than 48 hours from the conclusion of the AGM, make a scrutinizer’s report and submit the same to the Chairman or any Director authorized by the Board.
 - f. Results will be uploaded on the Company’s website and on the website of CDSL www.evotingindia.com and the same shall also be communicated to BSE & NSE.
 - g. The Results on resolutions will be deemed to be passed on the AGM date subject to receipt of requisite number of votes in favour of the resolutions.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 3-4

The members of the Company at the 21st Annual General Meeting held on 27th September, 2014 appointed Mr. Tassadduq Ali Khan (DIN: 00008368), and Mr. Chimanlal Andrijibhai Kutchhi (DIN: 00058092) as Independent Directors of the Company upto the conclusion of Twenty Sixth Annual General Meeting to be held in the calendar year 2019 therefore their terms of appointment expires on the date of this Annual General Meeting.

The Board, based on the performance evaluation and as per the recommendations of Nomination and Remuneration Committee, considers that, given their background, experience and contributions made by them during their tenure, the continued association of Mr. Tassadduq Ali Khan and Mr. Chimanlal Andrijibhai Kutchhi would be beneficial to the Company and therefore it is desirable to continue to avail their services as Independent Directors for a second term of 5 (five) consecutive years.

Mr. Tassadduq Ali Khan and Mr. Chimanlal Andrjibhai Kutchhi are not disqualified from being appointed as Directors in terms of Section 164 of the Act. The Company has also received declaration from Mr. Tassadduq Ali Khan and Mr. Chimanlal Andrjibhai Kutchhi that they meet the criteria of independence as prescribed under both SEBI (LODR) Regulations, 2015 as well as Section 149(6) of the Act. In the opinion of the Board, Mr. Tassadduq Ali Khan and Mr. Chimanlal Andrjibhai Kutchhi fulfil the conditions for re-appointment as Independent Directors as specified in the Act and SEBI (LODR) Regulations, 2015. They are independent of the management.

Your Directors recommend Resolution at Item No. 3 to 4 as a Special Resolution for approval of the members.

None of the Directors or key managerial personnel of the Company other than Mr. Tassadduq Ali Khan and Mr. Chimanlal Andrjibhai Kutchhi are concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 to 4 except as disclosed above.

The details of Director seeking re-appointment at the forthcoming Annual General Meeting (pursuant to Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard - 2 issued by The Institute of Company Secretaries of India, are furnished below

TOKYO PLAST INTERNATIONAL LIMITED

Item No 5

The Registered Office of the Company is presently situated in the Union Territory of Daman.

Your Board of Directors preferred to have a registered office in the state of Maharashtra at Mumbai instead of Daman as Mumbai is a commercial trading hub, various trading companies are located there and accordingly there are enormous opportunities available in the State of Maharashtra as compared to the Territory of Daman.

Further the Company is having an office in Mumbai and majority of the operational activities are being carried out from Mumbai. The proposed transfer will facilitate the Company to make optimum utilization of the opportunities available in the State of Maharashtra, the set targets and objectives, which would be in the interest of the Company and its members.

The Board is further of the view that the proposed shifting of the registered office would improve the access to new managerial talent and resources and facilitate carrying on the business of the Company more advantageously, efficiently, economically and conveniently.

It was therefore felt prudently that the operations of the company can be better managed if the registered office of the company is shifted to the State of Maharashtra as it is in the best interest of the company, shareholders and all the concerned parties are in no manner adversely affect the existing client base, creditors or operations or employees of the company.

This shifting would provide administrative convenience. Further, the shareholders of the company are unable to participate/approach to the existing registered office of the company and are unable to represent themselves in the company's general meeting. In connection to this, your Board of Directors has decided in their Board meeting held on Monday, 19th August, 2019, that the registered office of the company be shifted from Union Territory of Daman to the state of Maharashtra.

As per the provisions of section 12, 13 and other applicable provisions, if any, of the companies Act, 2013 and rules made there under, such shifting of registered office requires company to alter memorandum of association of the company and obtain necessary approval of the Shareholders by the way of special resolution.

A copy of memorandum as on date and a copy indicating the proposed amendments is available for inspection at the registered office of the company during working hours.

None of the directors, key managerial personnel of the company and their relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution.

Therefore your Board of Directors recommends passing the resolution(s) set out in item No. 5 as special resolution for shifting the registered office from Union Territory of Daman to the state of Maharashtra and for altering Clause II of the memorandum of association of the company.

For And On Behalf of the Board of Directors

Place : Mumbai
Date : 19th August, 2019

AUDITORS AND AUDIT REPORT

Statutory Auditors:

Pursuant to the provisions of Section 139 of the Act read with Companies (Audit and Auditors) Rules, 2014, as amended from time to time, M/s. Vinodchandra R Shah & Co, Chartered Accountant, (Firm Registration No. 115394W), were appointed as statutory auditors from the conclusion of the twenty-fourth Annual General Meeting (AGM) held on September 28, 2017 till the conclusion of the twenty-Ninth AGM of the Company in 2022, subject to the ratification of their appointment at every AGM, if required under law.

Secretarial Auditor:

The Board has appointed Mr. Virendra Bhatt, Practicing Company Secretary, (Membership No.: 1157) as Secretarial Auditor according to the provision of section 204 of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

The Secretarial Audit Report for the financial year 2018-19 is attached herewith as Annexure – A signed by Ms. I. Jhaveri, Associate of Mr. Virendra Bhatt. As regards to the secretarial auditor observation a relative of Director of the Company inadvertently purchased small quantity of shares during the trading window closure, which was unintentional and does not result in any price fluctuation of the shares of the Company.

Internal Auditor:

Pursuant to Section 138 of the Companies Act 2013, every Listed Company is required to appoint an Internal Auditor or a firm of Internal Auditors. ANNEXURE – A

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2019

[Pursuant to section 204(1) of the companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
TOKYO PLAST INTERNATIONAL LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Tokyo Plast International Limited (Hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provides me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2019 prima facie complied with the statutory provisions listed hereunder and also that the Company has prima facie proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minutes books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings - Not Applicable during the audit period;
- (iv) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under; (not applicable during the year)
- (v) The following Regulations and Guidelines prescribed under Securities and Exchange Board of India Act, 1992 (SEBI Act):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

Though the following laws are prescribed in the format of Secretarial Audit Report by the Government, the same were not applicable to the Company for the financial year ended 31st March, 2019:-

- (a) The Securities And Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- (b) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;

- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client
- (d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- (e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 ;
- (f) The Securities and Exchange Board of India (Issue and listing of Debt securities) Regulations, 2008;
- (vi) For Other laws applicable to the Company:

I report that, the Company has a composite range of activities in manufacturing of thermo ware, hence the management & Board of Directors of the Company are responsible to comply with the provisions of the applicable laws & I rely on the certificate for the Compliance issued by the Excellent Personnel Consultant Management Consultant on related Act – Factories Act, Provident Fund, E.S.I.C., Labour Laws, Contract Labour Act & Liason.

I have also examined compliance with the applicable provisions of the following and I am of the opinion that the Company has prima facie complied with applicable provisions:

- a. Secretarial Standards 1 & 2 issued by the Institute of Company Secretaries of India;
- b. The Listing agreements entered into by the Company with Stock Exchange read with SEBI (Listing obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, I am of opinion that the Company has prima facie complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above except:

- (i) **Late filing with respect to submission of financial results and filing of outcome of the Board Meeting.**

I further report that:

The Company has accepted cheque of Rs. 1,00,000/- for re-appointment of a director retiring by rotation and the Company has not deposited the same in the bank account.

I have not examined the Audited Financial Statement, financial Books & related financial Act like Income Tax, Sales Tax, Value Added tax, Goods and Service Tax Act, ESIC, external commercial borrowings as well as certain statutory dues as Provident fund, TDS, and interest on other statutory dues. I rely on observation & qualification if any made by statutory auditor's of the company in his report.

During the period under review, as per the statements received from the Registrar and Share Transfer Agents of the Company, relative of Director has transacted in the securities of the Company once during the closure of window without any pre-clearance approval from the Compliance Officer.

During the period under review, there were inter se transfer of securities of the Company between promoter and promoter group which are exempted under regulation 10(1) of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.

Ms. Meghna Mistry resigned from the post of Company Secretary with effect from 31st May, 2018 and the Company has appointed Mrs. Nikita Jain as the Company Secretary of the Company with effect from 1st September, 2018.

I have not examined books of accounts and I rely on statutory auditor's reports in relation to the Audited Financial Statements and accuracy of financial figures for Sales Tax, Value Added tax, Goods and Service Tax Act, ESIC, Provident fund, Professional Tax, Related Party Transactions etc. as

disclosed under the Audited Financial Statements, Accounting Standards and note on foreign currency transactions during my audit period.

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. During the period under review, there was no changes took place in the constitution of the Board of Directors.

As per the information provided prima facie adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance.

As per the information provided and as per minutes of the meetings, majority decisions of the Board were unanimous and no dissenting views were found as part of the minutes.

There are prima facie systems in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

The management is responsible for compliances of all business laws. This responsibility includes maintenance of statutory registers/files required by the concerned authorities and internal control of the concerned department.

I further report that during the audit period there were no instances of:

- i. Public / Right / sweat equity, Debentures etc;
- ii. Issue of equity shares under Employee Stock Option Scheme;
- iii. Buy-back of securities;
- iv. Major decisions taken by the Members in pursuance to Section 180 of the Companies Act, 2013 which would have major bearing on the Company's affairs;
- v. Foreign Technical Collaborations;
- vi. Change of name pursuant to the Scheme of De-merger;

I further report that:

1. Maintenance of Secretarial record is the responsibility of the Management of the Company. My responsibility is to express an opinion on these Secretarial Records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the Secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
3. Wherever required, I have obtained the Management representation about the compliance of Laws, Rules and Regulations and happening of events etc.
4. I have not verified the correctness and appropriateness of the books of accounts of the Company.
5. The compliance of the provisions of Corporate and other applicable Laws, Rules, Regulations, Standards is the responsibility of the Management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor the efficacy or effectiveness with which the Management has conducted the affairs of the Company.

MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

GLOBAL ECONOMIC OUTLOOK & RECENT DEVELOPMENT & OVERVIEW

Global economic activity slowed during 2018. Global output is estimated to have grown by 3.6% in 2018, which is 0.3% lower than estimated earlier and 0.1% lower than in 2017. The slowdown reflected the impact of multiple factors like decline in the growth of China followed by regulatory measures, strict credit policies, and slowdown in Euro economy more than expected. Global growth forecasts for 2019 and 2020 have been estimated 3.3% and 3.6% respectively. Within this scenario, the Indian economy continued to be one of the fastest growing major economies with the IMF estimating that the country would grow at 7.3% in 2019 and 7.5% in 2020.

Government initiatives such as Make in India, Skill India, Swachh Bharat Abhiyan, Digital India are contributing to economic development of the Country. India is the world's seventh largest economy in real terms, backed by strong demand, positive consumption pattern and rising disposable income and is expected to be among the world's top three economic powers in the next 10-15 years. Global economic growth is generally interlinked to petrochemical consumption where plastic is an important partner. The plastics industry in India has developed and diversified significantly since its inception.

The Company achieved a turnover of Rs.5298.02 Lacs as against Rs.6535.30Lacs in the previous year and the profit/(Loss) after tax is Rs. (371.09) Lacs as against Rs.409.88 Lacs in the previous year due to fluctuation in raw material prices and other operating cost. The prices of Raw material were on increasing trend from the beginning of the year till mid of November 2018 thereafter it came down in December 2018 again picked up in the rest of the months. The Profit margins were also under pressure due to fluctuation in raw material prices during the year. Exports of the company were marginally affected due to growth of local players in exporting countries.

Efforts are being made to bring back business on growth path. In coming financial year 2019-20, the company expecting tremendous progress with newly in house designed value added products.

OPPORTUNITIES AND THREAT

The presence of unorganized players and reprocessed products continues to challenge the market with unethical practices, providing substandard products made from lower grade materials, and taking advantage of the consumer's lack of awareness. We strive to promote high quality competitive products thereby pushing ourselves towards growth. In a fast-evolving Indian market most brands tend to wither, but we ensure that we do not make any compromises in our long-term business objectives and our brand strength. The growth of the Company is subject to opportunities and threats as are applicable to the industry from time to time.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an adequate Internal Control System commensurate with the size, scale and nature of its operation. The Audit Committee reviews the adequacy and effectiveness of Internal Control System. There are stringent internal control systems and procedures to facilitate optimal resource utilisation by keeping a check on unauthorized use of products. The Company's regular checks at every stage of its production and dispatch cycle ensured strict operational and quality compliance. Internal audit is conducted at regular intervals at all the plants and covers the key areas of operations. It is an independent, objective and assurance function responsible for evaluating and improving the effectiveness of the risk management, control and governance process.

The Audit Committee is regularly reviewing the Internal Audit Reports for the auditing carried out in all the key areas of the operations. The Company has appointed an Independent Auditor to ensure compliance and effectiveness of the Internal Control Systems.

RISK AND CONCERN

While risk is an inherent aspect of any business, the Company is conscious of the need to have an effective monitoring mechanism and has put in place appropriate measures for its mitigation including business portfolio risk, financial risk, legal risk and internal process risk. Your Company continuously monitors and revisits the risks associated with its business.

SEGMENT WISE PERFORMANCE

The Company is operating in a single segment. Hence, no separate segment wise information is given.

HUMAN RESOURCES DEVELOPMENT AND INDUSTRIAL RELATIONS

The Company recognizes human resources as a key component for facilitating organizational growth and shareholder value creation. Over a period of years, your Company has employed, groomed and retained experienced and qualified pool of human resources. Company's processes are designed to empower employees and support creative approaches in order to create enduring value. Various initiatives have been taken to strengthen human resources of the Company. Your Company maintains a cordial relationship with its employees. As on 31st March, 2019 the Company has 425 employees.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis and Directors Report describing the Company's strengths, strategies, projections and estimates, are forward-looking statements and progressive within the meaning of applicable laws and regulations. Actual results may vary from those expressed or implied, depending upon economic conditions, Government Policies and other incidental factors. Readers are cautioned not to place undue reliance on the forward looking statements.

CERTIFICATION BY CEO AND CFO UNDER REGULATION 17(8) OF SEBI LISTING REGULATIONS

We, Velji L. Shah, Chairman and Managing Director and Haresh V. Shah, Chief Financial Officer of Tokyo Plast International Limited, certify that:

- A. We have reviewed the financial statements and the cash flow statement for the year and that to the best of our knowledge and belief:
- (1) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - (2) these statements together present a true and fair view of the state of affairs of the company and are in compliance with existing accounting standards, applicable laws and regulations.
- B. There are, to the best of our knowledge and belief, no transactions entered into by the company during the year which are fraudulent, illegal or violate the company's code of conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of internal control systems of the company pertaining to financial reporting. Deficiencies in the design or operation of such internal controls, if any, of which we are aware, have been disclosed to the auditors and the Audit Committee and steps have been taken to rectify these deficiencies.
- D. We have indicated to the auditors and the Audit Committee that there are:
- (i) no significant changes in internal control over financial reporting during the year;
 - (ii) no significant changes in accounting policies during the year and
 - (iii) no instances of fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control systems over financial reporting.

AUDITORS CERTIFICATE ON CORPORATE GOVERNANCE

**To,
The Members,
Tokyo Plast International Limited**

We have examined the compliance of the conditions of Corporate Governance by Tokyo Plast International Limited (hereinafter referred to as 'the Company') for the year ended 31st March, 2019 as stipulated in as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and Para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

The compliance of conditions of Corporate Governance is the responsibility of the Company's Management. Our examination was limited to the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Governance. It is neither an audit nor an expression of an opinion on the financial statement of the Company.

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the Listing Regulations during the year ended 31st March, 2019.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

TOKYO PLAST INTERNATIONAL LIMITED

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

(Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI
(Listing Obligations and Disclosure Requirements) Regulations, 2015)

To,
The Members of

TOKYO PLAST INTERNATIONAL LIMITED
363/1(1,2,3), Shree Ganesh Industrial Estate,
Kachigam Road, Daman, Daman and Diu - 396210

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of Tokyo Plast International Limited having CIN L25209DD1992PLC009784 and having registered office at 363/1(1,2,3), Shree Ganesh Industrial Estate, Kachigam Road, Daman, Daman and Diu - 396210 (Hereinafter referred to as “the Company”), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to me by the Company & its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on 31st March, 2019 have been disqualified from being appointed or continuing as Directors of Companies by the Securities and Exchange Board of India and Ministry of Corporate Affairs.

Sr. No.	Name of Director	DIN	Date of Appointment at current Designation	Original Date of Appointment
1.	Velji Lakhadir Shah	00007239	21/05/2015	18/11/1992
2.	Haresh Velji Shah	00008339	01/07/1996	01/07/1996
3.	Tassadduq Ali Khan	00008368	27/12/2005	27/12/2005
4.	Chimanlal Andrijibhai Kutchhi	00058092	27/12/2005	27/12/2005
5.	Jagruti Mayurbhai Sanghavi	07144651	30/09/2015	28/03/2015

Ensuring the eligibility for the appointment / continuity of every Director on the Board is the responsibility of the management of the Company. My responsibility is to express an opinion on these based on my verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Tokyo Plast International Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of Tokyo Plast International Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2019, and the statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue Recognition

Refer para 2.4 of Note 2 to the standalone financial statements:

Key Audit Matters	Auditor's Response
<ul style="list-style-type: none"> Sale of Goods is recognized when control of the goods has been transferred to the customers, depending on individual terms at an amount which the Company is expected to receive for those goods or services. Thus Revenue Recognition from sale of Goods involves key judgments relating to identification of distinct performance obligations, determination of the transaction price, allocation of the transaction price to identified performance obligations, and the appropriateness of the revenue recognition methodology. 	<p>Our audit procedures include:</p> <ul style="list-style-type: none"> We have evaluated the processes and internal controls relating to implementation of the new revenue recognition standard and assessed the appropriateness of the revenue recognition accounting policies and its compliances with applicable accounting standards. We performed substantive testing for the revenue transactions using statistical sampling and tested the underlying documentation supporting the sales and assessing the recoverability of trade receivable balances.

Key Audit Matters	Auditor's Response
<ul style="list-style-type: none">• Additionally, the Company has adopted Ind AS 115 – Revenue from Contracts with Customers, which is the new revenue accounting standard. The application and transition to the accounting standard is complex and is an area of focus in the audit.• Also the Company's profit is dependent on proper accounting of Revenue and is therefore susceptible to misstatement. Cut off is the key assertion in so far as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the year.	<ul style="list-style-type: none">• We tested, on a sample basis, specific revenue transactions recorded before and after the financial year end date to determine whether the revenue had been recognised in the appropriate financial period.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on year taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”; and
 - g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position;
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company
3. As required by Section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.

“ANNEXURE A” TO INDEPENDENT AUDITOR’S REPORT

The Annexure referred to in our Independent Auditor’s Report to the members of the Company on the Ind AS standalone financial statements for the year ended 31st March, 2019, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of immovable properties are held in the name of the Company.
- (ii) (a) The inventory has been physically verified during the year by the management. In our opinion the frequency of verification is reasonable.
- (b) The company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stock and the book records were not material.
- (iii) The Company has granted loans to two parties covered in the register maintained under Section 189 of Companies Act, 2013 ('the Act'). However, there are no new loan granted during the year on this review.
 - (a) In our opinion, the rate of interest and other terms and conditions on which the loans had been granted to the parties listed in the register maintained under Section 189 of the Act were not, prima facie, prejudicial to the interest of the Company.
 - (b) There is no stipulation of schedule of repayment of principal and payment of interest and hence we are unable to make specific comment on the regularity of repayment of principal & payment of interest, in such case.
 - (c) There are no stipulations made regarding receipt of principal and interest amount, so we are unable to comment on the amount overdue.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- (v) The Company has not accepted any deposits from the public.
- (vi) We have broadly reviewed the books of account relating to material, labour and other items of cost maintained by the Company prescribed by the Central Government for the maintenance of cost records under section 148 (1) of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Employees’ State Insurance, Income-Tax, Wealth Tax, Goods and Services Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as applicable to company have generally been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees’ State Insurance, Income-Tax, Wealth Tax, Goods and Services Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as applicable to the company, were in arrears as at March 31, 2019 for a period of more than six months from the date they became payable.

TOKYO PLAST INTERNATIONAL LIMITED

- (b) According to the information and explanations given to us, there is no amounts payable in respect of Income Tax, Wealth Tax, Service Tax, Sales Tax, Goods and Services Tax, Customs duty and Excise duty which have not been deposited on account of any disputes.
- (viii) In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of dues to financial institutions, banks or debenture holders during the year.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

“ANNEXURE B” TO INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of the Company on the accounts for the year ended 31st March, 2019)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Tokyo Plast International Limited** (“the Company”) as of March 31, 2019 in conjunction with our audit of the Ind AS standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in “the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

1 CORPORATE INFORMATION:

The Tokyo Plast International Limited ('The Company') was incorporated on 11th November, 1992 under the provisions of the Companies Act 1956. The Company is having registered office at 363/1(1,2,3), Shree Gamesh Industrial Estate, Kachigam Road, Daman- 396 210 (U.T.) and engaged in the business of Manufacturers of Plastic Thermoware Products

2 SIGNIFICANT ACCOUNTING POLICIES:

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

The financial statements were approved for issue by Board of Directors on May 13, 2019.

2.1) Basis of Preparation:

i. Compliance with IND AS :

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with rule 4 of the Companies (Indian Accounting standards) Rules, 2015 and other relevant provisions of the act.

ii. Historical cost convention :

The financial statements have been prepared under the historical cost convention using the accrual method of accounting basis, except for certain financial instruments and defined benefit plan asset/liabilities that are measured at fair values at the end of each reporting period as explained in the significant accounting policies below.

All assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities

2.2) Segment Reporting :

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM"). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director and Finance Director of the Company. The Company has identified Plastic Thermoware Products as its only primary reportable segment.

2.3) Foreign currency transactions :

i. Functional and presentation currencies :

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian currency (INR), which is the Company's functional and presentation currency.

ii. Transactions and balances :

Foreign currency transactions are translated into the functional currency at the exchange rates on the date of transaction. Foreign exchange gains and losses resulting from settlement of such transactions and from translation of monetary assets and liabilities at the year-end exchange rates are generally recognized in the profit and loss. They are deferred in equity if they relate to qualifying cash flow hedges.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss, within finance costs. All other foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis.

Non-monetary foreign currency items are carried at cost and accordingly the investments in shares of foreign subsidiaries are expressed in Indian currency at the rate of exchange prevailing at the time when the original investments are made or fair values determined.

TOKYO PLAST INTERNATIONAL LIMITED

2.4) Revenue recognition :

With effect from 1 April 2018 the Company has applied IND AS 115 : Revenue from contract with customers which provided frame work determining the nature amount and timing of revenue recognition. The impact on the financial statement or adoption of the standard is insignificant.

Revenue is measured at the fair value of the consideration received or receivable otherwise mentioned below. Amounts disclosed as revenue are

The company recognizes revenue when the amount can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

i. Sale of goods :

Sale of Goods is recognized when control of the goods has been transferred to the customers, depending on individual terms at an amount which the Company is expected to receive for those goods and stated net of trade discounts, sales tax, value added tax and goods and service tax except excise duty. Accumulated experiences is used to estimate and provide for discounts. No element of financing is deemed present as the sales are made with credit terms, which is consistent with market practice.

ii. Supply of services :

Revenue from services is recognized in the accounting period in which the services are rendered.

iii. Interest Income :

For all debt instruments measured either at amortised cost or at FVOCI, interest income is recorded using the effective interest rate

iv. Dividend Income :

Dividend income is accounted for when Company's right to receive income is established.

2.5) Government Grants :

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the company will comply with all attached conditions.

Income from export incentives such as duty drawback , MEIS. etc. are recognized on accrual basis to the extent the ultimate realization is reasonably certain.

2.6) Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the Balance Sheet method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternative Tax (MAT) credit, which is equal to the excess of MAT (calculated in accordance with provisions of Section 115JB of the Income tax Act, 1961) over normal income-tax is recognized as an item in deferred tax asset by crediting the Statement of Profit and Loss only when and to the extent there is convincing evidence that the Company will be able to avail the said credit against normal tax payable during the period of fifteen succeeding assessment years.

2.7) Property, Plant and Equipment :

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation and impairment loss, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Capital work-in-progress comprises cost of fixed assets that are not yet ready for their intended use at the year end.

Depreciation methods, estimated useful lives and residual value :

Depreciation is calculated on a pro-rata basis on the straight line method so as to write-down the cost of property, plant and equipment to its residual value systematically over its estimated useful life based on useful life of the assets as prescribed under Part C of Schedule II to the Companies Act, 2013.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate

2.8) Intangible Assets :

Intangible Assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment loss, if any.

Amortization :

Intangible assets are amortised over their respective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Company for its use.

The estimated useful life and amortization method are reviewed at the end of each annual reporting period, with the effect of any changes in the estimate being accounted for on a prospective basis.

Expenditure on research is recognized as an expense when it is incurred. Development costs of products are also charged to the Statement of Profit and Loss unless all the criteria for capitalization as set out on Paragraph 21 and 22 of Ind AS 38 have been met by the Company.

2.9) Lease :

i. As a lessee :

Leases of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary increase.

ii. As a lessor :

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

2.10) Investment and Other financial assets:

i Classification :

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

Classification of debt assets will be driven by the Company's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

ii Measurement :

At initial recognition, the company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset.

- **Amortised Cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cashflows and for selling the financial assets, where the assets cash flow represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income.
- **Fair value through profit or loss (FVTPL):** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Company has accounted for its investment in Equity Instruments at cost. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive the dividend is established.

iii Impairment of financial assets :

The Company assesses if there is any significant increase in credit risk pertaining to the assets and accordingly create necessary provisions, wherever required.

iv Derecognition of financial assets :

A financial asset is derecognised only when

- The company has transferred the rights to receive cash flows from the financial asset or
- The Company retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients .

Where the entity has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

2.11) Derivatives and hedging activities:

The Company uses various derivative financial instruments such as interest rate swaps, currency swaps, forwards & options and commodity contracts to mitigate the risk of changes in interest rates, exchange rates and commodity prices. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

Hedges that meet the criteria for hedge accounting are accounted for as follows:

i. Cash flow hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

ii. Fair Value hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used is amortised to Statement of Profit and Loss over the period of maturity.

2.12) Inventories:

Raw materials and packing materials are valued at lower of cost and net realizable value.

Work-in-progress, finished goods and stock-in-trade (traded goods) are valued at lower of cost and net realizable value.

Cost of raw materials and traded goods comprises cost of purchases. Cost of work-in progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure. Cost of inventories also includes all other costs incurred in bringing the inventories to their present location and condition. Cost is assigned on the FIFO (First in First Out) Basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

2.13) Trade Receivables :

Trade receivables are recognised initially at fair value and subsequently measured at cost less provision for impairment.

2.14) Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

2.15) Borrowings :

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

2.16) Borrowing Cost :

General and specific borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale.

Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

2.17) Employee Benefits:

i. Short term obligations:

Liabilities for wages and salaries, including nonmonetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services upto the end of the reporting and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Provident fund:

The Company makes contribution to the Governments Provident Fund Scheme, a defined contribution scheme, administered by Government Provident Fund Authorities. The Company has no obligation to the scheme beyond its monthly contributions.

iii. Gratuity:

Liabilities with regard to the gratuity benefits payable in future are determined by actuarial valuation at each Balance Sheet date using the Projected Unit Credit method and contributed to Employees Gratuity Fund. Actuarial gains and losses arising from changes in actuarial assumptions are recognized in other comprehensive income and shall not be reclassified to the Statement of Profit and Loss in a subsequent period.

2.18) Provisions and Contingent Liabilities:

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognized even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

A contingent asset is disclosed, where an inflow of economic benefits is probable. An entity shall not recognise a contingent asset unless the recovery is virtually certain.

2.19) Cash and Cash Equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.20) Impairment of assets:

Intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

2.21) Investment in subsidiaries and joint ventures:

Investment in subsidiaries and joint ventures are recognised at cost as per Ind AS 27. Provision for diminution, if any, in the value of investments is made to recognise a decline in value, other than temporary.

2.22) Earnings Per Share:

- i. Basic earnings per share: Basic earnings per share is calculated by dividing :
 - the profit attributable to owners of the Company
 - by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

- ii. Diluted earnings per share: Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:
 - the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
 - the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.23) Dividend:

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

2.24) New accounting pronouncements:**i. Ind AS 116 - Leases:**

On March 30, 2019, Ministry of Corporate affairs have notified Ind AS 116 - "Leases". Ind AS 116 will replace the existing leases standards Ind AS 17 - "Leases" and related interpretations. The new standard sets out the principles for the recognition, measurement, presentation and disclosures of lease for both lease and lessor. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise the assets and liabilities for all leases with a term of more than 12 months, unless the underlying assets are of low value. Ind AS 116 substantially carried forward the accounting treatment prescribed for lessor. The effective date for adoption of Ind AS 116 is annual period beginning on or after April 01, 2019. The Company is evaluating the impact of the issued Ind AS 116 on its financial statements.

ii. Ind AS 12 - "Income taxes" (amendments relating to income tax consequences of dividend and uncertainty over income tax treatments)

On March 30, 2019, Ministry of Corporate affairs have notified Appendix C to Ind AS 12, uncertainty over the income tax treatments which is to be applied while performing the determination of taxable profits/(loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, the Company needs to determine the probability of the relevant tax authorities accepting the each tax treatments that the companies have used or plan to use in their income tax filings which has to be considered to compute the most likely amount or expected value of the tax treatments, when determining the taxable profits/(loss), tax bases, unused tax losses, unused tax credits and tax rates. The effective date for adoption of Ind AS 116 is annual period beginning on or after April 01, 2019. The Company is evaluating the impact of the issued appendix C on its financial statements.

iii Ind AS 109 - Prepayment Features with Negative Compensation.

The amendments relate to the existing requirements in Ind AS 109 regarding termination rights in order to allow measurement at amortised cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments. The Company does not expect this amendment to have any impact on its financial statements.

iv Ind AS 19 - Plan Amendment, Curtailment or Settlement.

The amendments clarify that if a plan amendment, curtailment or settlement occurs, it is mandatory that the current service cost and the net interest for the period after the re-measurement are determined using the assumptions used for the remeasurement. In addition, amendments have been included to clarify the effect of a plan amendment, curtailment or settlement on the requirements regarding the asset ceiling. The Company does not expect this amendment to have any significant impact on its financial statements.

v Ind AS 23 - Borrowing Costs.

The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings. The Company does not expect any impact from this amendment.

vi Ind AS 28 - Long-term Interests in Associates and Joint Ventures.

The amendments clarify that an entity applies Ind AS 109 Financial Instruments, to long-term interests in an associate or joint venture that form part of the net investment in the associate or joint venture but to which the equity method is not applied. The Company does not currently have any such long-term interests in associates and joint ventures.

vii Ind AS 103 - Business Combinations and Ind AS 111 - Joint Arrangements.

The amendments to Ind AS 103 relating to re-measurement clarify that when an entity obtains control of a business that is a joint operation, it re-measures previously held interests in that business. The amendments to Ind AS 111 clarify that when an entity obtains joint control of a business that is a joint operation, the entity does not re-measure previously held interests in that business. The Company will apply the pronouncement if and when it obtains control / joint control of a business that is a joint operation.

3 CRITICAL ESTIMATES AND JUDGEMENTS:

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The preparation of the financial statements in conformity with GAAP requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. These estimates and associated assumptions are based on historical experience and management's best knowledge of current events and actions the Company may take in future.

Information about critical estimates and assumptions that have a significant risk of causing material adjustment to the carrying amounts of assets and liabilities are included in the following notes:

- 1) Impairment of financial assets and investment in subsidiaries (including trade receivable) (Note 44)
- 2) Estimation of defined benefit obligations (Note 38)
- 3) Estimation of current tax expenses and payable (Note 34)
- 4) Estimation of provisions and contingencies (Note 18, 23 and 35)
- 5) Recognition of deferred tax assets (Note 25)
- 6) Recognition of MAT credit entitlements (Note 34)

3.1) Impairment of financial assets and investment in subsidiaries (including trade receivable)

Impairment testing for financial assets including investment in subsidiaries (other than trade receivables) is done at least once annually and upon occurrence of an indication of impairment. The recoverable amount of the individual financial asset is determined based on value-in-use calculations which required use of assumptions.

Allowance for doubtful receivables represent the estimate of losses that could arise due to inability of the Customer to make payments when due. These estimates are based on the customer ageing, customer category, specific credit circumstances and the historical experience of the company as well as forward looking estimates at the end of each reporting period.

3.2) Estimation of defined benefit obligations

The liabilities of the company arising from employee benefit obligations and the related current service cost, are determined on an actuarial basis using various assumptions. Refer note 38 for significant assumptions used.

3.3) Estimation of current and deferred tax expenses and payable

The Company's tax charge is the sum of total current and deferred tax charges. Taxes recognized in the financial statements reflect management's best estimate of the outcome based on the facts known at the balance sheet date. These facts include but are not limited to interpretation of tax laws of various jurisdictions where the company operates. Any difference between the estimates and final tax assessments will impact the income tax as well as the resulting assets and liabilities.

3.4) Estimation of provisions and contingencies:

Provisions are liabilities of uncertain amount or timing recognised where a legal or constructive obligation exists at the balance sheet date, as a result of a past event, where the amount of the obligation can be reliably estimated and where the outflow of economic benefit is probable. Contingent liabilities are possible obligations that may arise from past event whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which are not fully within the control of the company. The Company exercises judgement and estimates in recognizing the provisions and assessing the exposure to contingent liabilities relating to pending litigations. Judgement is necessary in assessing the likelihood of the success of the pending claim and to quantify the possible range of financial settlement. Due to this inherent uncertainty in the evaluation process, actual losses may be different from originally estimated provision.

3.5) Recognition of deferred tax assets:

The recognition of deferred tax assets is based upon whether it is more likely than not that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. Where the temporary differences are related to losses, relevant tax law is considered to determine the availability of the losses to offset against the future taxable profits. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

3.6) Recognition of MAT credit entitlements:

The credit availed under MAT is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. This requires significant management judgement in determining the expected availment of the credit based on business plans and future cash flows of the Company.

TOKYO PLAST INTERNATIONAL LIMITED

39 SEGMENT INFORMATION

Operating Segments:

An operating segment is a component of an entity:

- (a) that engages in business activities from which it may earn revenues and incur expenses (including revenues and expenses relating to transactions with other components of the same entity),
- (b) whose operating results are regularly reviewed by the entity's chief operating decision maker (CODM) to make decisions about resources to be allocated to the segment and assess its performance, and
- (c) for which discrete financial information is available.

The Company is undertaking export of plastic thermoware products and the risks and rewards are predominantly affected to some extent of the customers profile. The director of the Company has been identified as the Chief Operating Decision Maker (CODM). The CODM evaluates the segments based on their revenue growth, earnings before interest, tax and depreciation and return on capital employed.

The differences in its products do not qualify as its reportable segment. The company reviews its financials only based on its sales and profit. Thus, based on such the Company's assessment, the Company reports segment information under one segment, namely, export business which is its business segment and accordingly segment revenue is reported by the customer location as below:

	(Amount in Rs.)	
	2018-19	2017-18

44 FINANCIAL RISK MANAGEMENT

Financial risk factors

The Company activities exposes it to a variety of financial risk namely market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimise potential adverse effect on its financial performance.

(a) **Market Risk**

Market risk is the risk that the fair value of future cash flows of a financial instruments will fluctuate because of changes in market factors. Market risk in case of the Company comprises of Interest rate risk and Currency risk.

i) **Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the its long-term debt obligations with floating interest rates.

The exposure of the company's borrowings to interest rate changes as at 31 March, 2019 and 31 March, 2018 are as follows:

(Amount in Rs.)

Particulars	As at 31-Mar-2019	As at 31-Mar-2018
Variable rate borrowings	188,590,084	141,627,913
Fixed rate borrowings	2,054,037	1,215,167
Total	190,644,122	142,843,081

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on variable rate borrowings, as follows:

(Amount in Rs.)

Particulars	Effect on Profit before tax	
	As at 31-Mar-2019	As at 31-Mar-2018
100 basis points increase	(1,969,962)	(1,487,797)
100 basis points decrease	1,969,962	1,487,797

ii) **Foreign Currency Risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

The following table analyses foreign currency risk from financial instruments as of March 31, 2019:

(Amount in Rs.)

Particulars	USD	EURO	GBP	AED	Total	INR	Total

INR/GBP Decrease by 1%	(63,743)	(50,212)	(64,667)

(b) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk primarily arises from Trade receivables and Loans, Cash and cash equivalents and Deposit with banks.

The Company exposure to the credit risk is limited as follows:

Trade Receivables

- i) The Company's customer base consists of a large corporate customers. For majority of its customers, the payment terms is partly in advance and balance at the time of shipment reaches at customers location. Company is dealing with many customers regularly last many years and they are regular in paying debts. Hence credit risk is low.
- ii) Customer credit risk is managed by the company's established policies, procedures and control relating to customer credit risk management. Before accepting any new customer, the Company has appropriate level of control procedures to assess the potential customer's credit quality. The credit-worthiness of its customers are reviewed based on their financial position, past experience and other factors. The credit period provided by the Company to its customers generally ranges from 0-90 days. Outstanding customer receivables are regularly monitored. The credit risk related to the trade receivables is mitigated by taking letter of credit as and where considered necessary, setting appropriate payment terms and credit period, and by setting and monitoring internal limits on exposure to individual customers.
- iii) On the basis of the the historical experience, the risk of default in case of trade receivable is low. Provision is made for doubtful receivables on individual basis depending on the customer ageing, customer category, specific credit circumstances & the historical experience of the Company.
- iv) The gross carrying amount of Trade Receivables is Rs. 213339004 as at 31st March, 2019 and Rs. 231940055 as at 31st March, 2018.

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the Consolidated Ind AS Financial Statements of **Tokyo Plast International Limited** (“the Holding Company”) and its subsidiary (the Holding Company and its subsidiary together referred to as “the Group”), which comprise the Consolidated Balance Sheet as at 31 March 2019, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the Consolidated Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2019, their consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Ind AS Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Ind AS Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the Consolidated Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue Recognition

Refer para 2.4 of Note 2 to the Consolidated Ind AS Financial Statements:

Key Audit Matters	Auditor’s Response
<ul style="list-style-type: none"> ▪ Sale of Goods is recognized when control of the goods has been transferred to the customers, depending on individual terms at an amount which the Company is expected to receive for those goods or services. Thus Revenue Recognition from sale of Goods involves key judgments relating to identification of distinct performance obligations, determination of the transaction price, allocation of the transaction price to identified performance obligations, and the appropriateness of the revenue recognition methodology. 	<p>Our audit procedures include:</p> <ul style="list-style-type: none"> ▪ We have evaluated the processes and internal controls relating to implementation of the new revenue recognition standard and assessed the appropriateness of the revenue recognition accounting policies and its compliances with applicable accounting standards. ▪ We performed substantive testing for the revenue transactions using statistical sampling and tested the underlying documentation supporting the sales and assessing the recoverability of trade receivable balances.

Key Audit Matters	Auditor’s Response
<ul style="list-style-type: none"> ▪ Additionally, the Company has adopted Ind AS 115 – Revenue from Contracts with Customers, which is the new revenue accounting standard. The application and transition to the accounting standard is complex and is an area of focus in the audit. ▪ Also the Company’s profit is dependent on proper accounting of Revenue and is therefore susceptible to misstatement. Cut off is the key assertion in so far as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the year. 	<ul style="list-style-type: none"> ▪ We tested, on a sample basis, specific revenue transactions recorded before and after the financial year end date to determine whether the revenue had been recognised in the appropriate financial period.

Information Other than the Consolidated Ind AS Financial Statements and Auditor’s Report Thereon

The Holding Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the Consolidated Ind AS Financial Statements and our auditor’s report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Consolidated Ind AS Financial Statements

The Holding Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Consolidated Ind AS Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for purpose of preparation of the Consolidated Ind AS Financial Statements by the directors of the Holding Company, as aforesaid.

In preparing the Consolidated Ind AS Financial Statements, respective management and respective Board of Directors of the companies included in Group are responsible for assessing each Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in Group are also responsible for overseeing the company’s financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (Holding Companies and its subsidiaries) to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Ind AS Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled "Other Matters" in this audit report.

We believe that the audit evidence obtained by us, other than the unaudited financial statement of entities certified by the management as referred to in para (a) of the section titled "Other Matters" in this audit report, is sufficient and appropriate to provide basis for our opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Ind AS Financial Statements of which are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements / financial information of one subsidiaries, whose financial statements / financial information reflect total assets of Rs.16,36,721 as at 31 March 2019, total revenues of Rs.Nil and net cash flows amounting to Rs. (43,42,953) for the year ended on that date, as considered in the Consolidated Ind AS Financial Statements, whose financial statements / financial information have not been audited by us. These financial statements / financial information are unaudited and have been furnished to us by the Management and our opinion on the Consolidated Ind AS Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary is based solely on such unaudited financial statements / financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements / financial information are not material to the Group.

Our opinion on the Consolidated Ind AS Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of aforesaid Consolidated Ind AS Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement s dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Ind AS Financial Statements.
 - d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors of Holding Company as on 31 March 2019 taken on record by the Board of Directors of Holding Company, none of these directors are disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A"; and

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us
- i. The Group does not have any pending litigations which would impact its consolidated financial position;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company
2. As required by Section 197(16) of the Act, we report that the Holding Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.

“ANNEXURE A” TO INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of the Company on the accounts for the year ended 31st March, 2019)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Tokyo Plast International Limited** (“the Holding Company”) and its subsidiary (the Holding Company and its subsidiary together referred to as “the Group”) as of March 31, 2019 in conjunction with our audit of the Consolidated Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to Consolidated Ind AS Financial Statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Ind AS Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Ind AS Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNUAL REPORT 2018 - 2019

CONSOLIDATED CASH FLOW STATEMENT FOR THE YEAR ENDED 31 MARCH 2019

(Amount in Rs.)

	Particulars	2018-19	2017-18
A.	CASH FLOW FROM OPERATING ACTIVITIES :		
	Net Profit before Taxation and Extraordinary Items	(35,928,344)	49,853,716
	Adjustments for :		
	Depreciation	24,242,378	25,378,373
	Interest Expense	11,733,566	11,912,972
	Interest Income	(163,075)	(178,991)
	Dividend Income	(2,800)	-
	Unrealised foreign exchange (gain) / loss	1,645,168	(1,008,780)
	(Profit)/ Loss on Sale of Property, Plant and Equipment	(247,849)	136,845
	Loss on Sale of Investments	3,360,000	-
	Operating Profit before Working Capital changes	4,639,043	86,094,136
	Adjustments for :		
	Decrease / (Increase) in Inventories	(67,491,663)	(10,147,037)
	Decrease / (Increase) in Trade Receivables	16,955,883	(6,369,150)
	Decrease / (Increase) in Loans	85,369,321	(730,174)
	Decrease / (Increase) in Other Financial Assets	(6,919,695)	(16,559,441)
	Decrease / (Increase) in Other Current Assets	(6,816,359)	(2,995,901)
	Increase / (Decrease) in Trade Payable	9,732,346	(12,791,238)
	Increase / (Decrease) in Other Financial Liabilities	(6,028,034)	9,553,181
	Increase / (Decrease) in Other Current Liabilities	(5,078,924)	(2,476,169)
	Increase / (Decrease) in Provisions	4,849,178	5,098,408
	Cash from/(used in) Operating Activities	29,211,096	48,676,614
	Less: Direct Taxes paid	(4,806,450)	(12,904,741)
	NET CASH FROM OPERATING ACTIVITIES (A)	24,404,647	35,771,873
B.	CASH FLOW FROM INVESTING ACTIVITIES		
	Sale of Property, Plant and Equipment	371,220	-
	Purchase of Property, Plant and Equipment	(34,840,985)	(9,164,631)
	Sale of Investment	7,840,000	-
	Deposits With Banks (Made) / Matured	661,000	4,177,802
	Interest Received	206,612	178,991
	Dividend Income	2,800	-
	NET CASH USED IN INVESTING ACTIVITIES (B)	(25,759,353)	(4,807,838)
C.	CASH FLOW FROM FINANCING ACTIVITIES		
	Proceeds from / (Payments towards) Long term Borrowings (Net)	838,870	(298,244)
	Proceeds from / (Payments towards) Short term Borrowings (Net)	46,962,171	(10,652,367)
	Interest Paid	(6,693,128)	(11,912,972)
	Dividend Paid	-	(4,750,700)
	Dividend Distribution Tax Paid	-	(976,918)
	NET CASH USED IN FINANCING ACTIVITIES (C)	41,107,913	(28,591,201)
	Net Increase/ (Decrease) in Cash And Cash Equivalents (A) + (B) + (C)	39,753,207	2,372,834
	Cash and Cash Equivalents (Opening)	7,812,541	5,439,707
	Cash and Cash Equivalents (Closing)	47,565,748	7,812,541

The cash flow statement has been prepared under the indirect method as set out in Indian Accounting Standard (Ind AS 7) statement of cash flows. The above statement of Cash Flows should be read in conjunction with the accompanying notes.

The accompanying notes (1-47) form an integral part of the consolidated financial statements

TOKYO PLAST INTERNATIONAL LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

1 CORPORATE INFORMATION:

The Tokyo Plast International Limited ('The Company') was incorporated on 11th November, 1992 under the provisions of the Companies Act 1956. The Company is having registered office at 363/1(1,2,3), Shree Gamesh Industrial Estate, Kachigam Road, Daman- 396 210 (U.T.) and engaged in the business of Manufacturers of Plastic Thermoware Products. The Company and its subsidiaries collectively are hereafter referred as the 'Group'

2 SIGNIFICANT ACCOUNTING POLICIES:

The principal accounting policies applied in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

The consolidated financial statements were approved for issue by Board of Directors on May 13, 2019.

2.1a) Basis of Preparation:

i. Compliance with IND AS :

These consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with rule 4 of the Companies (Indian Accounting standards) Rules, 2015 and other relevant provisions of the act.

ii. Historical cost convention :

The consolidated financial statements have been prepared under the historical cost convention using the accrual method of accounting basis, except for certain financial instruments and defined benefit plan asset/liabilities that are measured at fair values at the end of each reporting period as explained in the significant accounting policies below.

All assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities

2.1b) Principles of consolidation and equity accounting :

i. Subsidiaries:

Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the group. The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated.

Subsidiary Company included in Consolidation

1. Vimalnath Impex FZE, UAE

Subsidiary Company not included in Consolidation

1. Tokyo Plast Global FZE, UAE

The subsidiary company Tokyo Plast Global FZE, UAE is under liquidation

ii. Changes in ownership interests:

The group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

2.2) Segment Reporting :

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM"). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Finance Director of the Group. The Group has identified Plastic Thermoware Products as its only primary reportable segment.

2.3) Foreign currency transactions :

i. Functional and presentation currencies :

Items included in the consolidated financial statements of each of the Group's entities are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The consolidated financial statements are presented in INR which is the functional and presentation currency for the Tokyo Plast International Limited.

ii. Transactions and balances :

Foreign currency transactions are translated into the functional currency at the exchange rates on the date of transaction. Foreign exchange gains and losses resulting from settlement of such transactions and from translation of monetary assets and liabilities at the year-end exchange rates are generally recognized in the profit and loss. They are deferred in equity if they relate to qualifying cash flow hedges.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Consolidated Statement of Profit and Loss, within finance costs. All other foreign exchange gains and losses are presented in the Consolidated Statement of Profit and Loss on a net basis.

Non-monetary foreign currency items are carried at cost and accordingly the investments in shares of foreign subsidiaries are expressed in Indian currency at the rate of exchange prevailing at the time when the original investments are made or fair values determined.

iii. Group Companies :

The results and financial position of foreign operations that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- assets and liabilities are translated at the closing rate as on that balance sheet date.
- income and expenses are translated at average exchange rates, and
- all resulting exchange differences are recognised in other comprehensive income as Foreign Currency Translation Reserve (FCTR)
- When a foreign operation is sold, the associated exchange differences (FCTR) are reclassified to profit or loss, as part of the gain or loss on sale.
- Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate.

2.4) Revenue recognition :

With effect from 1 April 2018 the Group has applied IND AS 115 : Revenue from contract with customers which provided frame work determining the nature amount and timing of revenue recognition. The impact on the consolidated financial statement or adoption of the standard is insignificant.

Revenue is measured at the fair value of the consideration received or receivable otherwise mentioned below. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, value added taxes, service tax, goods and service tax and other taxes as may be applicable.

The Group recognizes revenue when the amount can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Group's activities as described below. The Group bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

i. Sale of goods :

Sale of Goods is recognized when control of the goods has been transferred to the customers, depending on individual terms at an amount which the Group is expected to receive for those goods and stated net of trade discounts, sales tax, value added tax and goods and service tax except excise duty. Accumulated experiences is used to estimate and provide for discounts. No element of financing is deemed present as the sales are made with credit terms, which is consistent with market practice.

ii. Supply of services :

Revenue from services is recognized in the accounting period in which the services are rendered.

iii. Interest Income :

For all debt instruments measured either at amortised cost or at FTVOCI, interest income is recorded using the effective interest rate

iv. Dividend Income :

Dividend income is accounted for when Group's right to receive income is established.

2.5) Government Grants :

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Income from export incentives such as duty drawback , MEIS. etc. are recognized on accrual basis to the extent the ultimate realization is reasonably certain.

2.6) Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the Balance Sheet method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Consolidated Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternative Tax (MAT) credit, which is equal to the excess of MAT (calculated in accordance with provisions of Section 115JB of the Income tax Act, 1961) over normal income-tax is recognized as an item in deferred tax asset by crediting the Consolidated Statement of Profit and Loss only when and to the extent there is convincing evidence that the Group will be able to avail the said credit against normal tax payable during the period of fifteen succeeding assessment years.

2.7) Property, Plant and Equipment :

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation and impairment loss, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Consolidated Statement of Profit and Loss during the reporting period in which they are incurred.

Capital work-in-progress comprises cost of fixed assets that are not yet ready for their intended use at the year end.

Depreciation methods, estimated useful lives and residual value :

Depreciation is calculated on a pro-rata basis on the straight line method so as to write-down the cost of property, plant and equipment to its residual value systematically over its estimated useful life based on useful life of the assets as prescribed under Part C of Schedule II to the Companies Act, 2013.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate

2.8) Intangible Assets :

Intangible Assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment loss, if any.

Amortization :

Intangible assets are amortised over their respective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Group for its use.

The estimated useful life and amortization method are reviewed at the end of each annual reporting period, with the effect of any changes in the estimate being accounted for on a prospective basis.

Expenditure on research is recognized as an expense when it is incurred. Development costs of products are also charged to the Consolidated Statement of Profit and Loss unless all the criteria for capitalization as set out on Paragraph 21 and 22 of Ind AS 38 have been met by the Group.

2.9) Lease :**i. As a lessee :**

Leases of property, plant and equipment where the Group, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Group as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary increase.

ii. As a lessor :

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the consolidated balance sheet based on their nature.

2.10) Investment and Other financial assets:**i Classification :**

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

Classification of debt assets will be driven by the Group's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

ii Measurement :

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset.

- **Amortised Cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cashflows and for selling the financial assets, where the assets cash flow represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income.
- **Fair value through profit or loss (FVTPL):** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the Consolidated Statement of Profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Group has accounted for its investment in Equity Instruments at cost. Dividends from such investments are recognised in profit or loss as other income when the Group's right to receive the dividend is established.

iii Impairment of financial assets :

The Group assesses if there is any significant increase in credit risk pertaining to the assets and accordingly create necessary provisions, wherever required.

iv Derecognition of financial assets :

A financial asset is derecognised only when

- The Group has transferred the rights to receive cash flows from the financial asset or
- The Group retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients .

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

2.11) Derivatives and hedging activities:

The Group uses various derivative financial instruments such as interest rate swaps, currency swaps, forwards & options and commodity contracts to mitigate the risk of changes in interest rates, exchange rates and commodity prices. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Consolidated Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Consolidated Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

Hedges that meet the criteria for hedge accounting are accounted for as follows:

i. Cash flow hedge

The Group designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Consolidated Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Consolidated Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Consolidated Statement of Profit and Loss.

ii. Fair Value hedge

The Group designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Consolidated Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used is amortised to Consolidated Statement of Profit and Loss over the period of maturity.

2.12) Inventories:

Raw materials and packing materials are valued at lower of cost and net realizable value.

Work-in-progress, finished goods and stock-in-trade (traded goods) are valued at lower of cost and net realizable value.

Cost of raw materials and traded goods comprises cost of purchases. Cost of work-in progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure. Cost of inventories also includes all other costs incurred in bringing the inventories to their present location and condition. Cost is assigned on the FIFO (First in First Out) Basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

2.13) Trade Receivables :

Trade receivables are recognised initially at fair value and subsequently measured at cost less provision for impairment.

2.14) Trade and other payables:

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

2.15) Borrowings :

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings.

Borrowings are removed from the consolidated balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

2.16) Borrowing Cost :

General and specific borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale.

Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

2.17) Employee Benefits:

i. Short term obligations:

Liabilities for wages and salaries, including nonmonetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services upto the end of the reporting and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the consolidated balance sheet.

ii. Provident fund:

The Group makes contribution to the Governments Provident Fund Scheme, a defined contribution scheme, administered by Government Provident Fund Authorities. The Group has no obligation to the scheme beyond its monthly contributions.

iii. Gratuity:

Liabilities with regard to the gratuity benefits payable in future are determined by actuarial valuation at each consolidated balance sheet date using the Projected Unit Credit method and contributed to Employees Gratuity Fund. Actuarial gains and losses arising from changes in actuarial assumptions are recognized in other comprehensive income and shall not be reclassified to the Consolidated Statement of Profit and Loss in a subsequent period.

2.18) Provisions and Contingent Liabilities:

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognized even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

A contingent asset is disclosed, where an inflow of economic benefits is probable. An entity shall not recognise a contingent asset unless the recovery is virtually certain.

2.19) Cash and Cash Equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other shortterm, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.20) Impairment of assets:

Intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

2.21) Investment in subsidiaries and joint ventures:

Investment in subsidiaries and joint ventures are recognised at cost as per Ind AS 27. Provision for diminution, if any, in the value of investments is made to recognise a decline in value, other than temporary.

2.22) Earnings Per Share:

i. Basic earnings per share: Basic earnings per share is calculated by dividing :

- the profit attributable to owners of the Group
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

ii. Diluted earnings per share: Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.23) Dividend:

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Group's Board of Directors.

2.24) New accounting pronouncements:**i. Ind AS 116 - Leases:**

On March 30, 2019, Ministry of Corporate affairs have notified Ind AS 116 - "Leases". Ind AS 116 will replace the existing leases standards Ind AS 17 - "Leases" and related interpretations. The new standard sets out the principles for the recognition, measurement, presentation and disclosures of lease for both lease and lessor. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise the assets and liabilities for all leases with a term of more than 12 months, unless the underlying assets are of low value. Ind AS 116 substantially carried forward the accounting treatment prescribed for lessor. The effective date for adoption of Ind AS 116 is annual period beginning on or after April 01, 2019. The Group is evaluating the impact of the issued Ind AS 116 on its consolidated financial statements.

ii. Ind AS 12 - "Income taxes" (amendments relating to income tax consequences of dividend and uncertainty over income tax treatments)

On March 30, 2019, Ministry of Corporate affairs have notified Appendix C to Ind AS 12, uncertainty over the income tax treatments which is to be applied while performing the determination of taxable profits/(loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, the Group needs to determine the probability of the relevant tax authorities accepting the each tax treatments that the companies have used or plan to use in their income tax filings which has to be considered to compute the most likely amount or expected value of the tax treatments, when determining the taxable profits/(loss), tax bases, unused tax losses, unused tax credits and tax rates. The effective date for adoption of Ind AS 116 is annual period beginning on or after April 01, 2019. The Group is evaluating the impact of the issued appendix C on its consolidated financial statements.

iii Ind AS 109 - Prepayment Features with Negative Compensation.

The amendments relate to the existing requirements in Ind AS 109 regarding termination rights in order to allow measurement at amortised cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments. The Group does not expect this amendment to have any impact on its consolidated financial statements.

iv Ind AS 19 - Plan Amendment, Curtailment or Settlement.

The amendments clarify that if a plan amendment, curtailment or settlement occurs, it is mandatory that the current service cost and the net interest for the period after the re-measurement are determined using the assumptions used for the remeasurement. In addition, amendments have been included to clarify the effect of a plan amendment, curtailment or settlement on the requirements regarding the asset ceiling. The Group does not expect this amendment to have any significant impact on its consolidated financial statements.

v Ind AS 23 - Borrowing Costs.

The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings. The Group does not expect any impact from this amendment.

vi Ind AS 28 - Long-term Interests in Associates and Joint Ventures.

The amendments clarify that an entity applies Ind AS 109 Financial Instruments, to long-term interests in an associate or joint venture that form part of the net investment in the associate or joint venture but to which the equity method is not applied. The Group does not currently have any such long-term interests in associates and joint ventures.

vii Ind AS 103 - Business Combinations and Ind AS 111 - Joint Arrangements.

The amendments to Ind AS 103 relating to re-measurement clarify that when an entity obtains control of a business that is a joint operation, it re-measures previously held interests in that business. The amendments to Ind AS 111 clarify that when an entity obtains joint control of a business that is a joint operation, the entity does not re-measure previously held interests in that business. The Group will apply the pronouncement if and when it obtains control / joint control of a business that is a joint operation.

3 CRITICAL ESTIMATES AND JUDGEMENTS:

The preparation of consolidated financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the consolidated financial statements.

The preparation of the consolidated financial statements in conformity with GAAP requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the consolidated financial statements and reported amounts of income and expenses during the period. These estimates and associated assumptions are based on historical experience and management's best knowledge of current events and actions the Group may take in future.

Information about critical estimates and assumptions that have a significant risk of causing material adjustment to the carrying amounts of assets and liabilities are included in the following notes:

- 1) Impairment of financial assets and investment in subsidiaries (including trade receivable) (Note 44)
- 2) Estimation of defined benefit obligations (Note 38)
- 3) Estimation of current tax expenses and payable (Note 34)
- 4) Estimation of provisions and contingencies (Note 18, 23 and 35)
- 5) Recognition of deferred tax assets (Note 25)
- 6) Recognition of MAT credit entitlements (Note 34)

3.1) Impairment of financial assets and investment in subsidiaries (including trade receivable)

Impairment testing for financial assets including investment in subsidiaries (other than trade receivables) is done at least once annually and upon occurrence of an indication of impairment. The recoverable amount of the individual financial asset is determined based on value-in-use calculations which required use of assumptions.

Allowance for doubtful receivables represent the estimate of losses that could arise due to inability of the Customer to make payments when due. These estimates are based on the customer ageing, customer category, specific credit circumstances and the historical experience of the Group as well as forward looking estimates at the end of each reporting period.

3.2) Estimation of defined benefit obligations

The liabilities of the Group arising from employee benefit obligations and the related current service cost, are determined on an actuarial basis using various assumptions. Refer note 38 for significant assumptions used.

3.3) Estimation of current and deferred tax expenses and payable

The Group's tax charge is the sum of total current and deferred tax charges. Taxes recognized in the consolidated financial statements reflect management's best estimate of the outcome based on the facts known at the consolidated balance sheet date. These facts include but are not limited to interpretation of tax laws of various jurisdictions where the Group operates. Any difference between the estimates and final tax assessments will impact the income tax as well as the resulting assets and liabilities.

3.4) Estimation of provisions and contingencies:

Provisions are liabilities of uncertain amount or timing recognised where a legal or constructive obligation exists at the consolidated balance sheet date, as a result of a past event, where the amount of the obligation can be reliably estimated and where the outflow of economic benefit is probable. Contingent liabilities are possible obligations that may arise from past event whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which are not fully within the control of the Group. The Group exercises judgement and estimates in recognizing the provisions and assessing the exposure to contingent liabilities relating to pending litigations. Judgement is necessary in assessing the likelihood of the success of the pending claim and to quantify the possible range of financial settlement. Due to this inherent uncertainty in the evaluation process, actual losses may be different from originally estimated provision.

3.5) Recognition of deferred tax assets:

The recognition of deferred tax assets is based upon whether it is more likely than not that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. Where the temporary differences are related to losses, relevant tax law is considered to determine the availability of the losses to offset against the future taxable profits. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

3.6) Recognition of MAT credit entitlements:

The credit availed under MAT is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. This requires significant management judgement in determining the expected availment of the credit based on business plans and future cash flows of the Group.

39 SEGMENT INFORMATION

Operating Segments:

An operating segment is a component of an entity:

- (a) that engages in business activities from which it may earn revenues and incur expenses (including revenues and expenses relating to transactions with other components of the same entity),
- (b) whose operating results are regularly reviewed by the entity's chief operating decision maker (CODM) to make decisions about resources to be allocated to the segment and assess its performance, and
- (c) for which discrete financial information is available.

The Group is undertaking export of plastic thermoware products and the risks and rewards are predominantly affected to some extent of the customers profile. The director of the Group has been identified as the Chief Operating Decision Maker (CODM). The CODM evaluates the segments based on their revenue growth, earnings before interest, tax and depreciation and return on capital employed.

The differences in its products do not qualify as its reportable segment. The Group reviews its financials only based on its sales and profit. Thus, based on such the Group's assessment, the Group reports segment information under one segment, namely, export business which is its business segment and accordingly segment revenue is reported by the customer location as below:

	<i>(Amount in Rs.)</i>	
	2018-19	2017-18

TOKYO PLAST INTERNATIONAL LIMITED

(a) **Market Risk**

Market risk is the risk that the fair value of future cash flows of a financial instruments will fluctuate because of changes in market factors. Market risk in case of the Group comprises of Interest rate risk and Currency risk.

i) **Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the its long-term debt obligations with floating interest rates.

The exposure of the Group's borrowings to interest rate changes as at 31 March, 2019 and 31 March, 2018 are as follows:

(Amount in Rs.)

Particulars	As at 31-Mar-2019	As at 31-Mar-2018
Variable rate borrowings	188,590,084	141,627,913
Fixed rate borrowings	2,054,037	1,215,167
Total	190,644,122	142,843,081

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on variable rate borrowings, as follows:

(Amount in Rs.)

Particulars	Effect on Profit before tax	
	As at 31-Mar-2019	As at 31-Mar-2018
100 basis points increase	(1,969,962)	(1,487,797)
100 basis points decrease	1,969,962	1,487,797

ii) **Foreign Currency Risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

The following table analyses foreign currency risk from financial instruments as of March 31, 2019:

Particulars	USD	EURO	GBP	AED	Total	INR	Total

	As at 31-Mar-2019	As at 31-Mar-2018	0 Jan 00
USD Sensitivity			
INR/USD Increase by 1%	(174,857)	3,326,657	6,059,388
INR/USD Decrease by 1%	174,857	(3,326,657)	(6,059,388)
EUR Sensitivity			
INR/EUR Increase by 1%	149,224	802,137	515,673
INR/EUR Decrease by 1%	(149,224)	(802,137)	(515,673)
GBP Sensitivity			
INR/GBP Increase by 1%	63,743	50,212	64,667
INR/GBP Decrease by 1%	(63,743)	(50,212)	(64,667)

(b) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk primarily arises from Trade receivables and Loans, Cash and cash equivalents and Deposit with banks.

The Group exposure to the credit risk is limited as follows:

Trade Receivables

- i) The Group's customer base consists of a large corporate customers. For majority of its customers, the payment terms is partly in advance and balance at the time of shipment reaches at customers location. Group is dealing with many customers regularly last many years and they are regular in paying debts. Hence credit risk is low.
- ii) Customer credit risk is managed by the Group's established policies, procedures and control relating to customer credit risk management. Before accepting any new customer, the Group has appropriate level of control procedures to assess the potential customer's credit quality. The credit-worthiness of its customers are reviewed based on their financial position, past experience and other factors. The credit period provided by the Group to its customers generally ranges from 0-90 days. Outstanding customer receivables are regularly monitored. The credit risk related to the trade receivables is mitigated by taking letter of credit as and where considered necessary, setting appropriate payment terms and credit period, and by setting and monitoring internal limits on exposure to individual customers.
- iii) On the basis of the the historical experience, the risk of default in case of trade receivable is low. Provision is made for doubtful receivables on individual basis depending on the customer ageing, customer category, specific credit circumstances & the historical experience of the Group.
- iv) The gross carrying amount of Trade Receivables is Rs. 213339004 as at 31st March, 2019 and Rs. 231940055 as at 31st March, 2018.
